Attendance Policy/School Hours

ATTENDANCE

- Student attendance is a means of improving student performance and critical in raising student achievement. Together, the staff of Miami-Dade County Public Schools, students, parents and the community must make every effort to lessen the loss of instructional time to students.
- Absences shall be reported to the school attendance office by the parent or adult student as soon as practicable. The Superintendent shall require, from the parent of each student of compulsory school age or from an adult student who has been absent from school or from class for any reason, a statement of the cause for such absence. The District reserves the right to verify such statements and to investigate the cause of each single absence.
- Educators shall encourage regular attendance of students, maintain accurate attendance records, and follow reporting procedures prescribed by the Superintendent.

ABSENCES FOR RELIGIOUS HOLIDAYS

- Student absences for religious purposes, as identified on the approved holidays listed in the [Student Attendance Reporting Procedures PK-12 Handbook](#), may not prohibit students from receiving attendance awards or other attendance incentives at the school level, region level, or District level.

LATE ARRIVAL AND EARLY DISMISSAL

- Students shall be in attendance throughout the school day. If a student will be late to school or dismissed before the end of the school day, the parent shall notify the school in advance and state the reason for the tardiness or early dismissal. Justifiable reasons shall be determined by the principal. Students will be counted absent if they are not present in class for at least half of the class period. To be counted "present" for the day, the student must be in attendance for a minimum of two hours of the day unless extenuating circumstances exist.
- The registering parent –shall indicate on the Emergency Student Data Form the individual(s) to whom the student may be released during the school day. The registering parent who completes the Emergency Student Data Form is responsible for providing information that is truthful and accurate – and in the case of unmarried, divorced, or separated parents, consistent with any court order in effect governing their divorce, separation, or parenting matters.
